Welcome Message

Dear professors,

It's our pleasure and honor to welcome you all to the first scientific meeting of the Egyptian Foundation for *Helicobacter* and Microbiota (EFHM).

We look forward, with your support and scientific input, to become a leading foundation that promotes research, clinical practice advice and advocacy in the field of *Helicobacter* and microbiota.

Our mission will be focused on studying epidemiology, methods of transmission, diagnostic and therapeutic approaches to eradicate *Helicobacter pylori* and to maintain homeostasis of gut microbiome aiming at maintaining healthy gut and stomach.

EFHM 2024 (Building our evidence)

09:00–10:30

Parallel Morning Sessions

Research Workshops

10:30–11:00

Opening ceremony

11:00–11:30

Presidential lecture

11:30–12:30

Session 1:

 **Epidemiology of H. pylori, risk factors and methods for transmission**

- State of art lecture (15 minutes)
- Panel discussion (45 minutes)

12:30–13:00

Industry Symposium

13:00–13:30

Break

13:30–14:30

Session 2:

 **Diagnosis of H. pylori (What kits are available, what evidence is present and what we need to import)**

- State of art lecture (15 minutes)
- Panel discussion (45 minutes)

14:30–15:00

Industry symposium

15:00–16:00

Session 3:

 **Treatment approaches (efficacy of available drugs and possibilities for new drugs)**

- State of art lecture (15 minutes)
- Panel discussion (45 minutes)

16:00–16:15

Industry symposium

16:15–16:30

Break

16:30–17:30

Session 4:

 **Extra-gastroduodenal diseases**

- State of art lecture (15 minutes)
- Panel discussion (45 minutes)

17:30–18:30

Session 5:

 **Cancer Stomach (Epidemiological studies, early detection, endoscopic resections)**

- State of art lecture (15 minutes)
- Panel discussion (45 minutes)

18:30–19:00

Concluding remarks from all groups

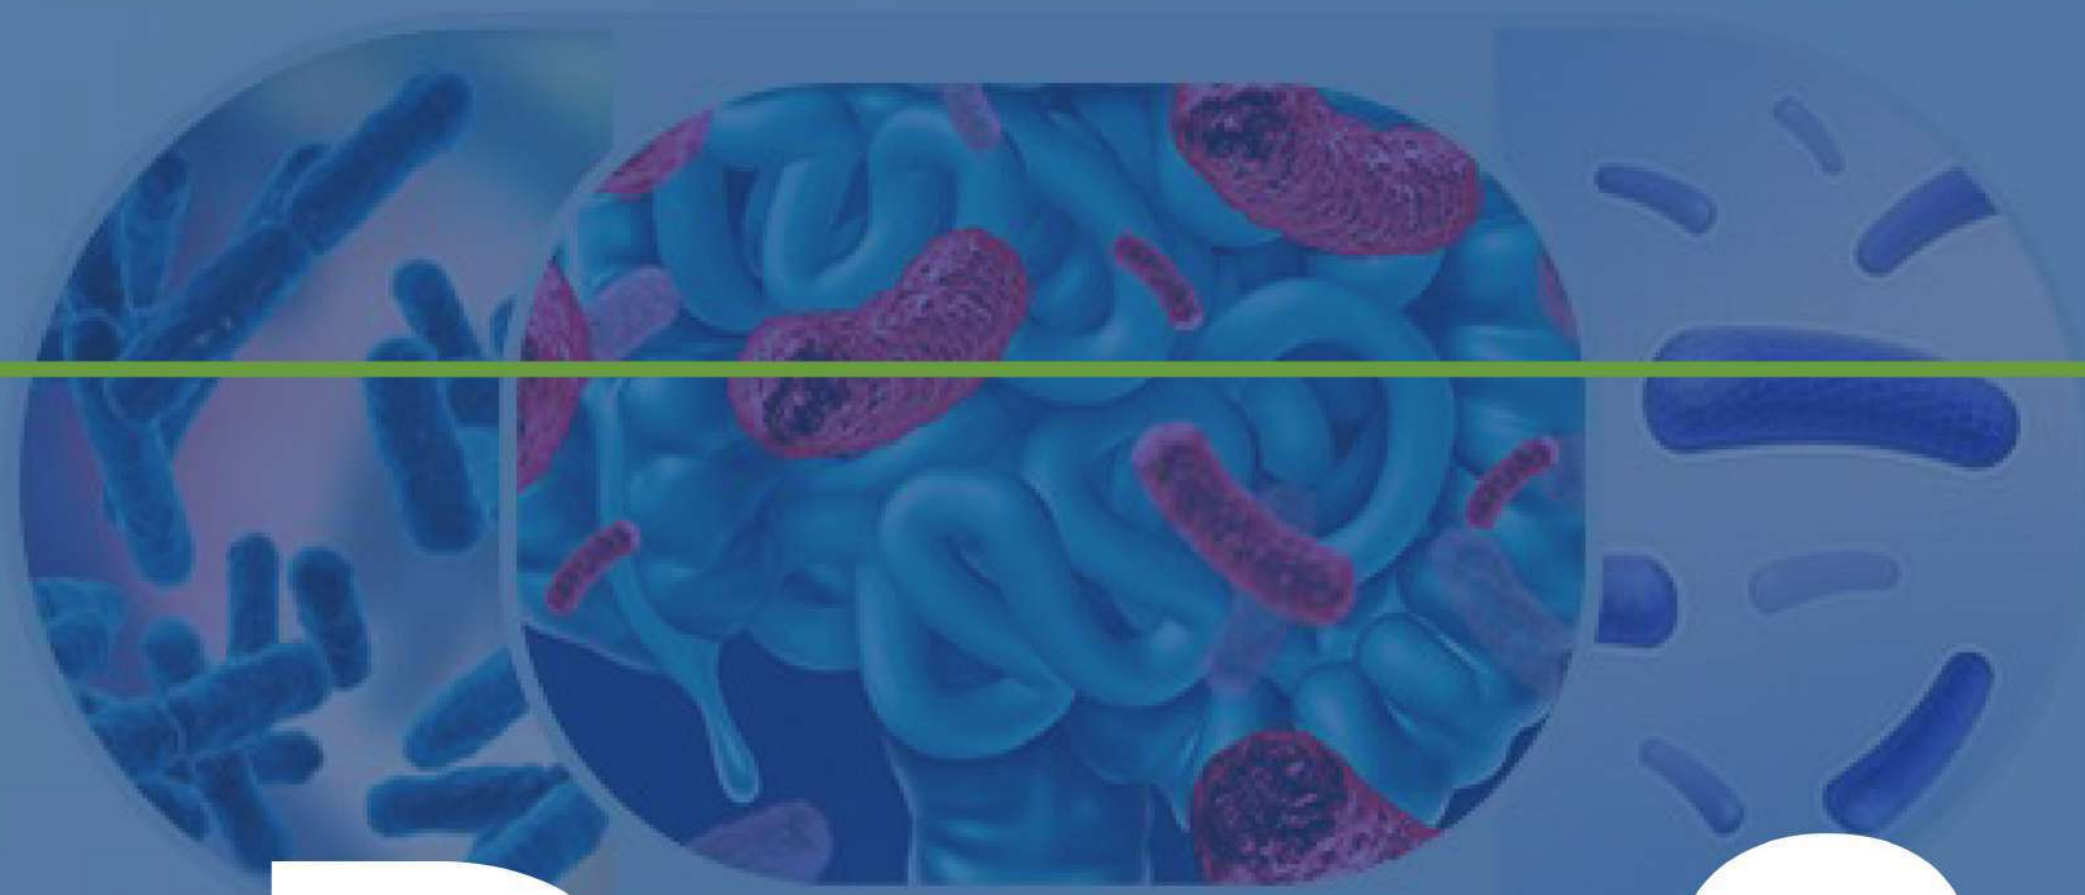

19:00–21:00

GALA Dinner

EFHM 2024 (Building our evidence)

09:00–09:30

General Assembly

EFHM Members Only

09:30–11:30

Microbiota Masterclass

(From bench to bedside)

11:30–12:30

Break and Goma prayer

12:30–13:30

Session 1:

Molecular Microbiome Analysis

- State of art lecture (15 minutes)
- Panel discussion (45 minutes)

13:30–14:00

Industry Symposium

14:00–15:00

Session 2:

Microbiome and allergic/ immunologic disorders

- State of art lecture (15 minutes)
- Panel discussion (45 minutes)

15:00–15:30

Break

15:30–16:30

Session 3:

 **Microbiome and Gastrointestinal tract**

- State of art lecture (15 minutes)
- Panel discussion (45 minutes)

16:30–17:30

Industry symposium

17:30–18:30

Session 4:

 **Clinical applications of Fecal Microbiota Transplantation**

- State of art lecture (15 minutes)
- Panel discussion (45 minutes)

18:30–19:00

Concluding remarks and next meeting announcement

19:00–21:00
